He offers several years experience supporting trust clients and financial advisors. At First United, we understand that growing wealth is just as important as protecting wealth; and both require a well-balanced thought-out strategy. Our wealth management process lays the foundation for success by creating a comprehensive picture of our client's unique goals, time frame and financial situation, so we can customize our investment management services to fit your needs. Once we understand your goals and beliefs, we align investment, estate planning and trust solutions to help you achieve what matters most - your future!

Kegan is currently accepting new clients and appreciates your referrals. He welcomes the opportunity to meet with you to learn about your specific situation and explore whether he can be of benefit to you. Please contact Kegan today.
